July 2019

To our new patients:

I'm happy to inform you that **effective Tuesday July 02, 2019** we relocated our practice to a larger and much more professional office space.

Our new PT center is located less than 10 minutes from our previous location.

¼ mile EAST of Community Drive, on the [south, eastbound side] LIE service Road, just before New Hyde Park Road; [next door to Great neck South H.S.]

## **Our new location:**

**ONE Hollow Lane, Suite 214 Lake Success, NY 11042**

Same Telephone number: 1-516-482-0100

Same Fax Number: 1-516-482-0172

We are very excited about this relocation. It offers a much better guest experience, in addition to providing more comprehensive service and care to all of our patients.

*We look forward to meeting you!!*
